### FEW CHANGES ANNOUNCED

American National Increases Capital to \$1,000,000—Walters Succeeds Denoon.

Directors and officers were elected yesterday by the seven national banks of the city, the officials succeeding themselves in nearly every case. Reports indicated a most prosperous year, all of the banks having paid their usual dividends, and in some cases increased them. The most significant announcement following the series of stockholders' meetings which went on all through the morning was the action of the American National Bank in authorizing an increase in its capital stock from \$500,000 to \$1,000,000, effective from February 15. The increased capital, it was stated, would put this bank in an even better position to take care of its large and growing business.

At the First National Bank the report of the directors showed that \$160,000 had been paid out in dividends to stockholders during the past year, and that on January 1 the directors increased the dividend, so that hereafter it will total \$120,000 a year, or 12 per cent on the capital stock of \$1,000,000.

**Denoon Retires.**

At a meeting of the stockholders of the Commonwealth Bank yesterday all of the old directors were re-elected. F. P. McConnell, formerly of Radford, and S. E. Walters being added to the board. At the meeting of the new board just following the stockholders' meeting, E. L. Denoon declined reelection as president of the bank, a position he has held since it was founded, and W. L. Waters, formerly cashier, was elected president. Mr. Denoon gave as his reason for retirement that the growth of the bank had so increased the demands on his time that he found it seriously interfering with his private business. He continues as a member of the board of directors. Mr. McConnell was elected vice-president, as was S. E. Walters, formerly assistant cashier. H. G. Proctor, who has been assistant cashier for several years, was elected to the position of cashier. The annual statements were stated to have been most gratifying.

**Main Street Bank Grows.**

Several proposals for the enlargement of its banking business were adopted yesterday morning by the stockholders of the Main Street Bank at their annual meeting. Officers and directors for the year were elected. With about 1,800 shares represented, the board was authorized to increase at any time deemed advisable, the capital stock of the bank from \$200,000 to \$500,000, to apply to the Corporation Commission for an amendment to the charter allowing the bank to carry a trust, guarantee and bonding business, and the name of the institution officially changed from the Main

Street Bank to the Main Street Bank and Trust Company. The meeting was held in the hall of the Y. M. C. A. building, as the new home of this bank is not completed. It will be occupied about February 15.

The old officers were re-elected: John C. Hagan, president; S. P. Jones, vice-president, and F. H. Hurdaway, secretary. The following board of directors was elected: F. M. Boxley, G. W. Brown, M. J.
